Seetha and his troupe, Kim and Gaetano, provided the entertainment/comedy show for our lawfirm holiday party! This year our theme inspiration for the party was "improv" and Seetha delivered! Everyone had a great time! It was a pleasure to work with Seetha, he was responsive to all inquiries, we had several meetings to work on the details, timing and set up of the show. He showed up early to help with the set up of our stage and also helped with the teardown at the venue. We couldn't be happier! I highly recommend Seetha to provide entertainment for your event! - **MICHELE ARTASCOS**

I hired Seetha for a corporate Diwali event. The audience was a mix of Indians, non-Indians, adults and kids. He had something funny for everyone. In the time that he had, he did magic tricks for kids, corporate feud etc that kept the interaction going with the audience. And all this was in addition to the entertaining comedy set that he had. Would love to have him back!

Seetha is a very funny man with relatable universal themes while still remaining faithful to his Southeast Indian heritage. He is interactive with the audience and brings audience members on stage with him. He is lively, energetic, and hilarious. Seeing Seetha will automatically put you in a good mood. Run, don't walk, to experience him for yourself whenever and wherever he is performing. - **BENNY SATO AMBUSH**

We were honored to have Seetha donate his time to perform at our event benefiting the Boca School for Autism. From the beginning to the end, he was a true professional... punctual, easy to work with, and really funny. He kept the crowd engaged, the material appropriate for a charity audience, and the energy high while always respecting the cause. Our guests raved about him. We'd work with and recommend Seetha again in a heartbeat. Thank you!

Putting on events for the city of Boynton Beach Recreation Dept, there's no room for misses, only hits. The comedy show, held on August 8th at the Intracoastal Park Clubhouse was truly a hit. Seetha The Comic was brilliantly funny and spectacularly professional - **FRANKLIN IRELAND**
